## C – Reading Comprehension and Set Books

### 6. Read the following passage, then answer the questions:

A few people walking along the street stood gazing at a man in the air little by little falling down to the earth. His wide new garment acted as a parachute. He was painting the front of a high house.

He fell down on his feet inside the box of a lorry passing by at the time. When the people waved and shouted, the lorry driver stopped and the man jumped off. He insisted on giving the driver a treat. He crossed the street to buy him a coca cola. On his way back he couldn't avoid being struck down by a motorcycle running fast. The people hurried to help him, but they found him dead.
